Butler's Wharf Pier is just a minute's walk away from our office and is located at:

**Butler's Wharf Pier**  
**Shad Thames**  
**London**

## Tube and train

The pier is a lovely 10-minute walk along the river from London Bridge station. This serves the Jubilee and Northern lines on the London Underground, while National Rail trains connect to a vast number of stations in and around London. For trains and times, see [nationalrail.co.uk](http://nationalrail.co.uk)

## Route from London Bridge station

Upon arrival at London Bridge, use the Tooley Street exit which is located in the lower concourse. Cross the road and walk down More London, past shops including Leon and Marks & Spencer, before continuing past the old City Hall building and over Potters Field. Walk through Tower Bridge's pedestrian arch and take the next alleyway on your left which leads to the river. You will see some of our vessels moored at the pier.

## DLR

We are a 15-minute walk across Tower Bridge from Tower Gateway DLR station. When walking over, you'll easily be able to see some of our fleet moored up at Butler's Wharf Pier.

## Car

The nearest car park is Q-Park Tower Bridge, which is a two-minute walk away from the pier. It is located at the following address: **Q-Park Tower Bridge, 46–50 Gainsford Street, London, SE1 2NE**
